

The background image is a vibrant, slightly warm-toned photograph of a French street. On the left, a pink building with blue shutters and a small balcony is partially covered in green vines. A cobblestone street runs diagonally from the bottom left towards the background. A bright orange vintage car, resembling a Citroën 2CV, is parked on the left side of the street. In the background, more colorful buildings, some with ivy, and a glimpse of a domed structure are visible under a soft sky.
